HOW TO USE THIS INSTALL GUIDE

- 1 Open the Bookmarks menu and find your vehicle OR scroll down until you find the install guide for your vehicle.
- Print only the pages for your vehicle using the advanced options in the Print menu.
- Install your DSR1 module according to the guide for your vehicle.

WARNING

Pressing the printer icon or "quick printing" this document will print all of the guides in this compilation.

FORD EDGE 2011-2017

ENABLE A SEAMLESS AFTERMARKET AMPLIFIER INSTALLATION, WITHOUT CHANGING YOUR RADIO.

INSTALLATION INSTRUCTIONS

STEP 1

- Remove the factory amplifier (refer to wire chart for amplifier location).
- Configure the 2 pin connectors on the aFO2 T-harness as shown on the wiring diagram.

STEP 2

• Connect the factory amplifier harnesses to the aFO2 T-harness.

STEP 3

• Connect the wires from the aFO2 T-harness to the aftermarket amplifier.

Note 1:

If you are running your own speaker wires from the amplifier to the speakers, this step is not necessary.

Note 2:

The amplifier output colors and labels on the aFO2 T-harness do not correspond to the vehicle. For vehicle specific wiring designation, see the wiring chart.

• Plug the RCA cables in the aftermarket amplifier.

STEP 4

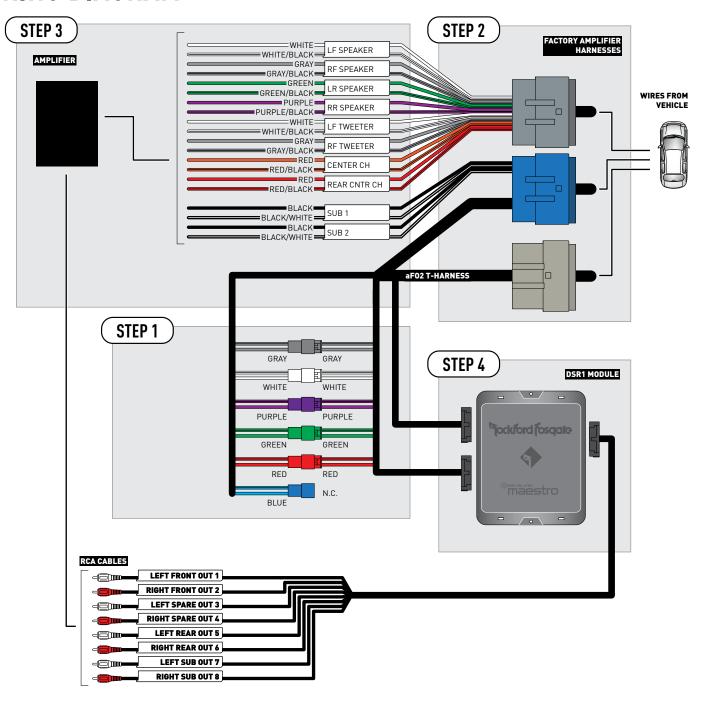

• Connect all the harnesses to the DSR1 module.

• For technical assistance call 1-866-427-2999 or e-mail "support@idatalink.com". Visit us at "maestro.idatalink.com/support" and "www.12voltdata.com/forum/"

STEP 1

- Remove the factory amplifier (refer to wire chart for amplifier location).
- Configure the 2 pin connectors on the aFO2 T-harness as shown on the wiring diagram.

STEP 2

 Connect the factory amplifier harnesses to the aFO2 T-harness.

STEP 3

 Connect the wires from the aFO2 T-harness to the aftermarket amplifier.

Note 1:

If you are running your own speaker wires from the amplifier to the speakers, this step is not necessary.

Note 2:

The amplifier output colors and labels on the aFO2 T-harness do not correspond to the vehicle. For vehicle specific wiring designation, see the wiring chart.

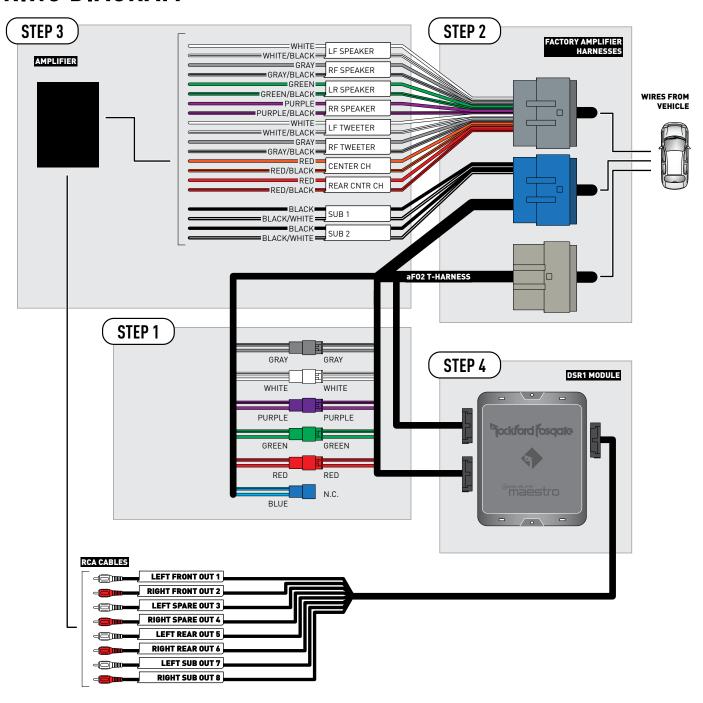

• Plug the RCA cables in the aftermarket amplifier.

STEP 4

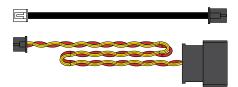

• Connect all the harnesses to the DSR1 module.

• For technical assistance call 1-866-427-2999 or e-mail "support@idatalink.com". Visit us at "maestro.idatalink.com/support" and "www.12voltdata.com/forum/"
